

Dear Starting Point Family and Friends,

In cooperation with our Governmental Leaders, Centers for Disease Control & Prevention ([cdc.gov](http://cdc.gov)) and the Arizona Department of Health Services ([azdhs.gov](http://azdhs.gov)), **all church related activities are cancelled at least through April 30th**. For the time being, this includes both weekend services and all Discovery Groups.

Although some of the church's main activities are temporarily cancelled, we will continue to be a church family and worship together through virtual gatherings.

## Here's how you can stay connected . . .

- Join us for a live service on Saturday evening at 5:00 p.m. through the church's [Facebook](#) presence. (NOTE: You do not need a Facebook account to watch the service online. Also, be sure to "Like Us" on Facebook so you can receive timely notices about the latest postings.)
- If you cannot join us live this Saturday evening, you can check out the service any time afterward, again on our [Facebook](#) presence.
- This Saturday's online service will also be posted to the church's website within a day at [mysp.church](http://mysp.church).

## Looking ahead . . .

Every Wednesday we will send a text and an email with the church's latest updates. You can also always connect with the [church's website](#) or again, our [Facebook](#) presence for the church's current news.

If you would like to submit a prayer request, scroll down on the church's [website](#) home page just below the monthly calendar to the Contact section.

Our love and prayers continue for everyone in our church family! And be encouraged . . . **"And we know [with great confidence] that God [who is deeply concerned about us] causes all things to work together [as a plan] for good for those who love God, to those who are called according to His plan and purpose" (Romans 8:28, MSG).**
